

Contact Photo Books

Contact Photo Books is a simple platform that allows users to create and print customized photo albums. Available as a free software download at www.mycontactphotobook.com, Contact Photo Books is fully integrated with Contact's state-of-the-art print facilities and distribution vertical.

01 CONTACT PHOTO BOOKS ON eCONCIERGE

As part of the eConcierge program, client PURLs have the option of containing a direct link to Contact Photo Books. With every photo book purchased through the PURL, clients share in the revenue generated. Adding value to the PURLs, photo books are an excellent way for consumers to organize and display pictures after a trip and make a great gift for travelling companions.

02 WHITE LABELLED SOLUTION

Contact Photo Books is available as a white labelled software solution and can be branded and tailored for individual organizations. An innovative way of displaying marketing and branding information, white labelled Photo Books sites provide organizations with the tools they need to set up and start selling their own branded photo books online.

Leveraging Contact's production and shipping expertise means that your photo books are of the highest quality and are shipped promptly. Combined with Contact's impeccable service, Contact Photo Books provide personalized products with quality, value and innovation.

One Solution. Infinite Possibilities.
